MEMORANDUM FOR: DTR
DDTR

SUBJECT : Voluntary Language Program

The DDS called today instructing me to withdraw the special bulletin published on Wednesday which announced the suspension of the Voluntary Language Program. He explained that although the Deputy Directors had been canvassed and agreed to the suspension, the matter had not been approved by the DDCI.

Because the bulletin had already been distributed, it was necessary for the Registrar to call all training officers and hold up distribution. The DDS was satisfied with this action. Our special bulletin was based on a memorandum to the DTR signed by A/DDS.
